

## Milk Quality and Safety Seminar

# Theme: Fostering Safe Milk Practices for a Competitive Kenyan Dairy Sector

### Venue: Azure Hotel, Westlands, Nairobi

### 29th January 2019

Agenda

Kenya Dairy Board (KDB), SNV Netherlands Development Organization (SNV Kenya) and the 3R Kenya programme are organizing a one day stakeholders' workshop on milk quality and safety.

The workshop programme is designed to mobilize stakeholders in the dairy sector to strategize on practical, efficient and sustainable strategies to improve the quality and safety of milk and other dairy products.

#### Workshop Objectives

- Present lessons learned from Quality Based Milk Payment (QBMP) pilots and reflect on scalability potential
- Highlight ongoing public and private sector efforts in the sector on the agenda of milk quality and safety (research, policy and practice)
- Discuss opportunities and threats in driving a quality-based industry/sector
- Deliberate on next steps and potential for building a community of practice to champion the realization of safe and quality milk and dairy products.
